# CABS

Modernization & New Construction

EXCEPTIONAL

## QUALITY & SUPPORT

With a dedicated product support team available for installation troubleshooting, and invaluable feedback directly from field mechanics, we ensure a seamless, supportive experience from start to finish.

-  3D interactive installation models
-  Glass, stainless steel, laminates, & custom sizes & materials
-  Available as a cab only or with a complete elevator package

## The MEI Advantage

### 1 day quotes

We quote-to-spec to deliver exactly what your customer asked for.

### 3 day drawings

Fast turnaround keeps your project moving - on time and within budget.

### 7-8 week lead time

MEI cabs are proudly manufactured in the USA, providing fast lead times.
