

MEI

TOTAL ELEVATOR SOLUTIONS

DOORS & ENTRANCES

Custom, made in the USA

EXCEPTIONAL QUALITY & SUPPORT

With a dedicated Product Support Team available for installation troubleshooting, and invaluable feedback directly from field mechanics, we ensure a seamless, supportive installation experience from start to finish.

-  Competitive pricing
-  Single or two speed & side or center opening
-  Easily adjustable door roller blocks eliminates drilling and tapping

Same day quotes

Fast turnaround keeps your project moving - on time and within budget.

Fast lead times

All MEI doors and entrances are proudly manufactured in the USA, providing fast lead times.

Two sill options

MEI entrances are available with either a traditional grouted sill or a grout-less option.

Multiple finishes

Doors are available in stainless steel or endless powder coat options.
